

# Andre Laoundoye Scholarship Fund

Established to help support many of the students: A) whose parents struggle financially to pay full tuition B) students who attend school though they are not officially registered by their parents – we want them to be officially registered. **\$100 covers tuition, uniform, school supplies, and other support services for one student during the academic school year. Additionally, if you desire to donate school materials please let us know.**

2 students who received the scholarship for the 2019 academic school year.

Primary school students. They made me smile so much!
